

CHARTER FOR THE OUTDOOR CLUB 2011-2012

The Outdoor Club is a group whose membership, meetings, activities and services are open to all students at Albany Law School. *The Outdoor Club* does not discriminate on the basis of sex, race, creed, religion, national or ethnic origin, age, marital status, or sexual preference.

The Outdoor Club is dedicated to exposing students to life outside the classroom and away from the stress of everyday Law School life. By organizing outdoor activities such as kickball games, bocce competitions, hiking, and snow sports, *The Outdoor Club* hopes to bring students together to enjoy the fresh air of beautiful Upstate New York. We are also open and interested in integrating unique and diverse activities into our schedule and are always interested in new suggestions.

The Outdoor Club of Albany Law School will hold meetings to discuss upcoming activities and trips, and as deemed necessary by the President. Because of the nature of our studies at Albany Law School, it is important that duties of the executive board members and club members are not excessive. There will be a minimal time commitment for meetings. They shall be no longer than one half hour long for business reasons. Events will be organized mainly on weekends, and will not take place off campus during the three weeks before finals. The final *official* club meeting will take place two weeks before finals.

The Outdoor Club hereby promises and affirms to regularly advertise its meetings and activities.

The Outdoor Club hereby promises to timely turn in its budget.

Should *The Outdoor Club* not timely turn in its budget, *The Outdoor Club* hereby affirms that it understands that this may adversely affect the amount of funding it receives.
